RE: Purpose of a meeting Sanderson /Kane ...you ask for ..

5 November 2014 09:11

Desmond, I do not recall contacting your legal people last week by email or phone, unless it was returning a call received with no information provided.

Given that I am now aware it is Corrib related I do not have plans to discuss anything with you and suggest you refer your comments to Shell as operator of the development who will act on our behalf.

Regards, A.Sanderson.
