Re: SHELL E&P IRELAND LIMITED

Dear Desmond

I am not sure if I have the correct address for you and I am therefore sending this letter to you as an attachment by e-mail to your personal e-mail address. I attach a copy of an e-mail that was received by me on Saturday last the 18th of October at 10.27 am to my work e-mail address. This e-mail came from a Mr John Donovan who is someone unknown to me.

Needless to say I was very surprised to learn from Mr Donovan that you had without my consent or knowledge recorded the consultation that we had in my office at the end of July. I am writing this letter to advise you of the fact that I have received this communication from Mr Donovan. I would also appreciate it if you would revert to me with an explanation as to how this has occurred, and if you would let me know what instructions you have regarding the content of this e-mail. I should also advise you that I received two requests from a Mr A Hamilton from a shell.com e-mail address yesterday requesting that I accept an invitation to join in a conference call with him and other members of the Shell organisation including Mr Crothers.

I am advising you of these matters because you are my client and I would appreciate it if you would revert to me with your instructions by return.

I look forward to hearing from you.

Kind regards.

Yours sincerely,

Marc Fitzgibbon
